

The Cocktail Class Wooden Boat Racing Association

October 24, 2011

Dear Lee,

On behalf of the Cocktail Class Wooden Boat Racing Association I would like to extend our many thanks to you and the Rock Hall Yacht Club for making our first National Championship such a success. Your personal attention to the details necessary for planning and hosting our regatta, the wonderful hospitality afforded us by your members and staff and the excellent club facilities all combined to set a benchmark for our future events.

The interest and participation in the CCWBRA by your club membership has been a key ingredient in our rapid and ongoing success. We hope it will be a long and enjoyable association.

Again please extend our sincere thanks to everyone at the Rock Hall Yacht Club for a job well done.

Sincerely,

Curt Bluefeld

Commodore and Grand Poobah.

Lee,
we had a blast! Good water, great weather and a super bar and dinner. Looking forward to 2012!
